OUR PARTNER BRANDS

VINESIME

A specialist in vinocosmetics, VINESIME combines naturalness, effectiveness, sensorial pleasure, and safety, all while respecting the planet. Its formulas draw their active ingredients from an exceptional terroir listed as a UNESCO World Heritage Site, with a focus on Pinot Noir—the grape variety richest in antioxidant polyphenols—and Blackcurrant Bud from Burgundy, a powerful activator of cellular oxygenation.

Through an exclusive process of upcycling grapes from partner wine estates, the brand obtains highly concentrated extracts rich in active molecules. Each treatment is based on clean, natural formulas, developed with a carefully chosen selection of raw materials, to offer unique beauty experiences that reveal all the benefits of the vine.

PAOMA

A high-end, eco-ethical, organic French skincare brand, PAOMA offers treatment protocols that combine expert manual techniques with a range of natural, innovative, and proven-effective products.

PAOMA celebrates nature through a selection of natural, proven-effective ingredients of French origin, whose benefits are sometimes rooted in centuries-old tradition. These elements are crafted into unique products designed to deliver an unparalleled sensory experience.

A hand holds a clear glass bottle of PAOMA facial treatment oil, which has a gold-colored cap. The bottle is surrounded by a lush bouquet of flowers, including large pink peonies, smaller pink roses, and white baby's breath. The background is a soft-focus blue sky. The text "FACIAL TREATMENTS" is overlaid in white, bold, sans-serif capital letters across the center of the image. The bottle label includes the brand name "PAOMA PARIS" and the product name "HUILE NUTRIMENTE COISSANTES" and "NUTRIFYING BODY OIL".
